Great nights for good causes

Take advantage of our FREE venue hire to help raise money for your club or cause. Whether your school is saving for a trip or your sports club needs a new kit, we've got you covered. We can organise events such as quizzes, BBQs, competitions and open mic evenings. We can provide everything you need for a great night, whether that's a quiz master, full sound and visual tech or simply a fully equipped bar and great service. We love a new idea and nothing is too silly, so drop us a line and get us involved.
